GENERAL PRICE LIST

These prices are effective March 21, 2024 They are subject to change without notice.

Thank you for allowing us to assist you in making funeral arrangements. These prices are for payment by cash, check, or debit. Payment is due in full before services are rendered.

The Federal Trade Commission requires that all funeral homes provide an itemized list of services offered. In an attempt to assist you, along with the itemized list, we have provided a list of our most common package selections on page 4. Although services may be selected from the itemized portion of the General Price List, these package selections may help simplify your decisions.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead**. If legal or other requirements mean you must buy items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICE OF FUNERAL DIRECTOR AND STAFF AND OVERHEAD $ 2150.00

Our services include: conducting the arrangement conference; planning the funeral; consulting with the family and clergy; shelter of remains; preparing and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs. The Washington State mandated identification system is employed at all times.

This fee for our **basic services and overhead** will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.) These options are outlined on page 3.

CARE OF REMAINS

Embalming $ 780.00

Except in special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
